

School Gateway

Dear Parents,

As a school we are a 'cashless office' and school dinners and all other school payments are managed online via a downloadable app or through a website called '**School Gateway**'. As well as receiving text messages, you will make all school payments via credit and debit card from the convenience of your phone or tablet.

Families in receipt of free school meals still need to book dinners via this service, although no payment will be required.

What you need to do now - YOU WILL ONLY BE ABLE TO REGISTER FOR SCHOOL GATEWAY ONCE YOUR CHILD HAS STARTED SCHOOL.

Download the app: If you have a smartphone, please download School Gateway from your app store (Android and iPhone). The app shows the same information as the website.

OR

Visit the website: www.schoolgateway.com and click on 'New User'. You'll receive a text message with a PIN number. Use this PIN to login to School Gateway.

Help us save money

Once you've downloaded the app, our texts will be delivered to you as instant app messages, saving us the cost of texting. Please make sure you allow notifications for the app so you will be alerted when a message is sent.

Can't activate your account?

If you're having trouble activating your School Gateway account, it may be because school doesn't have your current email and mobile phone number on record. Please call the school and we'll update the details on our system.

We hope that you will find School Gateway a valuable way to keep up to date.

Yours faithfully

Principal
