

CODE OF CONDUCT FOR EDUCATIONAL VISITS

Foundation Stage and Key Stage 1

When we are out of school my behaviour needs to be such that:

- **Everyone** can enjoy and benefit from the visit
- I will be safe
- I am a good school ambassador

I need to remember the school rules and especially:

1. Do listen carefully
2. Do show respect and good manners
3. Do be kind and helpful
4. Do follow instructions
5. Do share and care
6. Do look after our belongings

In addition, on the bus/coach:

1. I need to sit quietly
2. I will wear my seat belt at all times, if there is one fitted
3. I may talk quietly to the person beside me
4. I will not leave my seat until I am told to by an adult
5. I should do nothing to disturb the bus driver or other road users
6. When I get off the bus I should stick with my partner and wait where I am told until everyone is off the bus

Because I am in a strange place, I need to remember my “stranger danger” rules and know what to do if I get lost.

If I cannot behave well in school, I understand that I may not be allowed to go on an educational visit.

I have talked about these rules with my parent(s)
